

PECB ISO 37001 Foundation

Become acquainted with the best practices of Anti-bribery Management Systems (ABMS) based on ISO 37001

Why should you attend?

This training course is designed to help participants understand the fundamental concepts and principles of an anti-bribery management system (ABMS) based on ISO 37001. By attending this training course, participants will learn more about the structure and requirements of the standard for an ABMS, including the anti-bribery policy, the top management’s leadership and commitment, processes related to specific controls such as due diligence, financial and non-financial controls, gifts, hospitality, and donations, as well as performance evaluation and continual improvement processes.

After completing this training course, you can sit for the exam and, if you successfully pass it, you can apply for the “PECB Certificate Holder in ISO 37001 Foundation” credential. A PECB foundation certificate proves that you have knowledge on the fundamental concepts, principles, methodologies, requirements, framework, and management approach used in establishing anti-bribery management systems.
